

Sixth meeting of the Brazil-Sweden High Level Group on Aeronautics

Virtual Meeting, November 9, 2020

- 09:00 I. OPENING (10+20+20)
Brazilian HLG Chair, Paulo César Rezende de Carvalho Alvim, State Secretary of Entrepreneurship and Innovation, Ministry of Science, Technology and Innovation
Marcos Cesar Pontes, Ministry of Science, Technology and Innovation
Lt Gen Hudson Costa Potiguara, Director of the Department of Science and Technology in Aeronautics (DCTA)
Rodrigo Persico, VP Market Intelligence Embraer
Ambassador Achilles Emilio Zaluar Neto, Director of the Department for Technology Promotion of the Ministry of Foreign Affairs, Ministry of Foreign Affairs
Swedish HLG Chair, Emil Högberg, State Secretary, Ministry of Enterprise and Innovation
Jan-Olof Lind, State Secretary, Ministry of Defence
Micael Johansson, CEO Saab
Krister Nilsson, State Secretary, Ministry for Foreign Affairs
Secretary Paulo Alvim will start and he will be followed by the four other Brazilian authorities. He will then give the floor to State Secretary Högberg and three other Swedish authorities. All the authorities will address the cooperation in aeronautics, its achievements and where we are heading.
- 09.50 II. AIR DOMAIN STUDY (20, 5 Q/D)
Presentation of the results from the ADS work performed during 2020 and proposal for a new initiative. (FAB and Innovair)
Maj Gen Paulo Ricardo Laux, Brazilian Air Force, EMAER
Mats Olofsson, Innovair
[Decision point for HLG to approve the ADS proposal and task EC to monitor the progress, show how the proposed extension should be performed and financed and report back to HLG not later than at the 2021 High Level Group meeting.]
The ADS was a task from the HLG meeting 2018 and the WG will present the outcome and proposal for the next steps.
- 10.15 III. INFORMATION ABOUT NEW INITIATIVES AND ACTIVITIES (15, 5 Q/D)
- Potential and planned AI-related activities
Dr Anders Blom, Innovair
- Presentation about an aerospace competition including academia and SMEs. (Representatives from SARC and BARINet)
Prof Emília Villani, ITA
- Sweden Innovation Days (Vinnova)
Regina Summer, Vinnova
- 10.35 *Coffee Break*

10.45 IV. WAY AHEAD/ACTION POINTS (10, 5 Q/D)

Presentation by Brazil (MCTI) with support from Sweden (MEI)

- Status Long Term Strategic Plan, Working Plan and Terms of Reference (*update of documents*)
- Next HLG meeting: October 2021 in Sweden (tbc)
- Task to EC concerning ADS next steps

The various documents have been examined by EC and the ToR and WP have been subject to updates, to be agreed by HLG through the signature of the meeting minutes. The LTSP has also been reviewed but found to be relevant without any update this year.

State Secretary Alvim will present status ToR and WP, actions for EC to deliver, next HLG meeting and also give some views on spill-over to other technology sectors.

11.00 V. CLOSING REMARKS (5+5+20)

Other High Level Group authorities

Swedish HLG Chair, Emil Högberg, State Secretary, MEI

Marcos Cesar Pontes, Ministry of Science, Technology and Innovation, MCTI

Before the closing remarks from the two HLG Chairs and Minister Pontes, the other high level group authorities are welcome to give their short views (2 minutes) on present and future activities.

11.30 VI. SIGNATURE (5)

Signing of the HLG Agreed Meeting Minutes

The occasion is suggested to be used for signing of the HLG Agreed Meeting Minutes by the two HLG Chairs.
